From The Team

A Message of Purpose

“The true measure of our progress is not in the programs we run, but in the lives we transform – one child, one community, one dream at a time.”

As we reflect on the year 2025-26, we are humbled by the dedication, resilience, and passion for change of the people we worked with - the communities we serve, and the generous support of our partners and well wishers. This annual report captures the breadth of our work: from classrooms in Uttarakhand in Punjab, from flood-affected villages in Tehri Garhwal to curriculum development in Dehradun.

Equity and inclusion remain at the heart of everything we do. When a child - or even a youngster - gains access to quality learning, when a teacher discovers a new pedagogical tool, or when a textbook is rewritten to reflect a child's context, that is the INDIA Foundation at work. This year marked Year 1 of our intervention: we expanded our footprint, deepened government partnerships, and responded to community needs with agility and compassion.

We move forward with renewed commitment: to bridge inequities, amplify unheard voices, and build a more just and sustainable India. Thank you for being part of this journey.

The Team

Initiative for Nurturing Dreams, Inspirations and Aspirations (INDIA) Foundation

About Us

Who We Are

The Initiative for Nurturing Dreams, Inspiration & Aspiration (INDIA) Foundation is a registered nonprofit organization dedicated to promoting inclusive, equitable, and sustainable development in India.

The Foundation is founded on the belief that every individual has the potential to achieve personal and societal transformation when provided with the appropriate support, resources, and opportunities. It strives to nurture human potential by addressing systemic challenges and empowering communities through education, capacity building, and social innovation.

VISION

Contribute to the realization of an India that is inclusive, enlightened, resilient, and environmentally conscious - where every individual, irrespective of social, economic, or cultural background, is empowered to aspire, acquire knowledge, and attain self-reliance. The vision is rooted in the principles of equity, integrity, justice, and collective well-being.

MISSION

To enable the creation of empowered and self-reliant communities through integrated and inclusive development interventions, with a focus on education, skill development, social justice, environmental sustainability, and community participation. The Foundation aims to bridge structural inequities and promote sustainable human development.

BRAND VALUES

Equity & Inclusion | Integrity & Justice | Collective Well-being | Accountability | Compassion

What Our Partners Say

Accolades

Neelam Panwar

Subject Coordinator, Mathematics, SCERT Uttarakhand

Mr. Yashvendra and Mr. Shaleen bring long experience and deep knowledge of textbook writing in Mathematics. Keeping in mind NEP 2020, the four-block approach, and ELPS in Mathematics, both gave their valuable suggestions in weaving chapters with the Indian Knowledge System. I appreciate their hard work and hope to continue this collaboration in our future textbooks.

Bharat Naresh Bansal

Director Academics, Punjab State Board for Technical Education & Industrial Training

INDIA Foundation has been a pivotal partner in strengthening mathematics education in Punjab Polytechnics. Their bridge course has greatly empowered our faculty by introducing innovative pedagogical tools and a student-centric approach that is already transforming outcomes for our students.

Gayathri Subramanian Iyer

Co-founder, Infosutra Consultancy

The team at INDIA Foundation are grounded practitioners in foundational learning, with a strong emphasis on foundational numeracy. They supported our research in Uttarakhand with a diligent field team and delivered high-quality, ethically collected data, with a nuanced understanding of geography and community contexts.

Looking Towards 2026–27

Building on this year's momentum through three strategic priorities.

Scaling Geographic Reach

Establishing regional hubs to extend education and community development programs into additional states through local capacity models. We aim to enter at least two new states by building on proven programme frameworks from Uttarakhand and Punjab.

Deepening Government Partnerships

Strengthening integration with state education departments and district administrations to embed our approaches into public systems at scale. This includes expanding the SCERT textbook collaboration beyond Class 1 & 3, and formalizing our polytechnic model in Punjab.

Expanding Humanitarian Preparedness

Building disaster preparedness frameworks in climate-vulnerable communities across hill and flood-prone regions of India. Drawing from our Tehri Garhwal experience, we will develop community-owned early response protocols and resource networks.

Our Commitment

"Every year brings us closer to an India where dignity and opportunity are universally accessible - and 2026–27 will be no different."

We have audited the accompanying Financial Statements of M/s Initiative For Nurturing Dreams, Inspirations and Aspirations Foundation for the year ended March 31st, 2026 which comprises Balance Sheet, Income & Expenditure Account, and Receipt & Payment Account.

Management is responsible for the preparation of these Financial Statements in accordance with law. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in all material respects and give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the Balance Sheet, of the state of affairs of the Society as at March 31st, 2026; and
- in the case of the Income and Expenditure Account of the deficit for the year ended on that date; and
- in the case of the Receipt and Payment Account, of the cash flows for the year ended on that date.
